

Save money. Save water.

20% off a smart controller

A Rachio smart controller is a great way to keep your lawn looking lush while conserving water.

How does it work?

Rachio creates tailored smart schedules based on the specific needs of your lawn, including plant type, soil type, sun exposure, and more, for custom and worry-free watering. It automatically adjusts for the weather and season to avoid unnecessary watering while keeping plants healthy, **and can help save you 20%-50% on your monthly outdoor water bill.**

New! Discount for Liberty customers

Liberty US customers are eligible to purchase a Rachio 8-zone or 16-zone Smart Sprinkler Controller at a discounted price through Dec. 31, 2025.
