## Be alert for payment scams

Don't become a victim of a payment scam. Liberty will never require you to wire transfer funds or purchase a prepaid cash card and relay the card information over the phone to avoid disconnection. We will always notify you before a disconnection by mail, door tag, and/or by phone during normal business hours. A field representative with proper identification may also notify you in person.

If you suspect fraud, HANG UP immediately and call Liberty to verify the status of your account. You may also check your recent account payments through MyAccount, Liberty's free, online account service. Report fraud attempts to local law enforcement.
