

Help keep your neighbors warm this winter

You can help your neighbors in need stay warm, healthy and safe this winter by donating to Liberty's Community Energy Assistance Program. Your deductible donation goes directly to a local or area non-profit energy assistance agency that serves your community to help those less fortunate. Even a small contribution can mean so much, whether you give \$1 a month, \$5, \$10, \$20, or "Round Up" your gas payment to the next whole dollar amount.

How you can help

- Specify your voluntary donation amount on the back of your Liberty bill or call customer care at 1-855-872-3242.
- Your tax-deductible donation will be added to your monthly gas bill. You may change or end your donation at any time.
- All donations will be sent to local energy-assistance agencies to help families in your community.

Remember to help your neighbors by donating with your bill payment.

Your contribution is greatly appreciated!
