*By signing, the installer/inspector attests this information accurately reflects the equipment has been installed in compliance with the manufacturer's specifications for the new equipment. Any and all equipment associated with this rebate must be installed in compliance with required local, state and federal codes. Any tests or inspections that may be required for the verification of such are the responsibility of the customer or installing contractor.*

### Must print and sign before mailing

Customer Signature \_\_\_\_\_ Date \_\_\_\_\_

*By signing, the customer acknowledges having read and understood the terms and conditions of Liberty's High-Efficiency Rebate Program. The customer certifies that all the information provided is true and correct and that the products for which the customer is requesting a rebate meet the requirements of the program.*

**Terms and Conditions** Program provided by Liberty and administered by Energy Federation Incorporated (EFI) for Liberty. Rebate payments will be issued by EFI after all appropriate documentation has been received. Funding for this program may be limited; eligible rebate applications will be processed pending available funds. Valid for eligible equipment purchased and installed after November 1, 2010; while funds last. This rebate is offered to Liberty's Iowa customers who are served under either Liberty's Residential Rates 310-RS-1, 311-RL-1 or Small Commercial 320-CS-1. Liberty offers this program in cooperation with the Iowa Utility Board. Liberty reserves the right to conduct field inspections to verify equipment installations. Liberty does not guarantee the performance of the installed equipment either expressly or implicitly. © 2012 Liberty. All rights reserved.
