

Customer Contribution Fund

Liberty is continuing the Customer Contribution Fund that was established a few years ago. The purpose of this fund is to assist low-income customers with weatherization or help in paying their utility bills. We hope that those of you that are currently participating in this program will continue to do so. Customers that are not currently participating in the Customer Contribution Fund may choose to help those in need by making a one-time contribution or a monthly pledge. Funds collected for this program are distributed through the local Limited Resources Agency which helps low-income families in your community. Your donations are tax-deductible and 100% of your contributions are given to Limited Resources.

If you would like to participate in this program, please fill out the authorization form and return it to your local Liberty office dropbox: 2547 Hilton Road, Keokuk, IA 52632, or mail to Liberty 2751 N. High St., Jackson, MO 63755.
