

We're extreme weather ready
You can be too

Liberty works throughout the year to prepare for extreme weather. From inspecting and maintaining our gas lines and weatherizing our equipment to training our teams, we are ready to respond 24/7 to help keep service safe and reliable.

Are you ready? Use our extreme weather preparation checklist to help you and your loved ones prepare.

Extreme Weather Checklist

Prepare for emergencies. Create a basic emergency plan and share it with household members. Include evacuation routes and a meeting point outside the home. Also create an emergency kit with essentials that you may need if a disaster strikes. Use the checklist below to help.

Plan

- Make an emergency plan
- Program the following numbers into your mobile phone:
 - Liberty Emergency Number
 - Other utility companies
 - Red Cross
- Charge mobile phones

Emergency kit

- First-aid kit
- Essential medications
- Battery-powered or hand-crank radio
- Backup battery for mobile devices
- Flashlight and extra batteries
- Canned food and manual opener
- Bottled water (at least one gallon per person per day)
- Baby formula & food for pets
